Avalon Village

# About us

Avalon Village offers a safe and supportive living environment for individuals with disabilities. As part of the Skymac Group of companies, we stand as one of the largest accredited Level 3 Supported Accommodation Facility provider in Queensland.

The three levels of certification include:

**Level 1:** Accommodation (compulsory)

**Level 2:** Food Service

**Level 3:** Personal Care Service (optional extras)

We hold a firm belief in the significance of privacy, ensuring that you will never be required to share rooms at Avalon Village

All single rooms are adorned with modern furnishings, including a wardrobe, curtains, bedding, and with fresh linen provided weekly. Additionally, each room is equipped with a flat-screen TV and a mini-fridge.

Prices are in line with the Disability Support Pension and Aged Pension, so it's affordable. There are no bonds or buy in costs, although customers are required to pay and maintain two weeks rent in advance.

We can provide you with the lifestyle and independence you've always enjoyed, with the added comfort and security that comes with living in a supported living facility. At Avalon Village, you will have peace of mind knowing our friendly village team is on-hand to assist you should you require any help.

**Avalon village** is situated in Mt Gravatt East on 2.5 acres with lush tropical trees and colourful wildlife.

It is central to the local shops, post office and the bus stop is just out the front with a direct route to Carindale shopping centre, the QEII and PA hospitals.

## Why Avalon Village?

We are dedicated to providing quality support and care tailored to each person's unique expectations and needs. We aim to create opportunities for residents to express their individuality and reach their full potential with the best outcome.

Our meals are prepared fresh on-site daily to ensure our residents get the highest quality food. We will cater to specific dietary requirements and work with you to ensure you get all the nutrients your body needs. What separates Avalon Village from other supported accommodation services is our dedication to providing outstanding, nutritious, and restaurant-quality meals every day of the year.

## Community engagement and access

We encourage our residents to socialise and participate in community events, activities, and celebrations within the village, such as Easter, State of Origin, Halloween, Melbourne Cup, and Christmas.

Our dedicated staff enjoys getting involved with the residents, creating opportunities to meet other people, and introducing them to local organisations such as community centres, and hobby groups.
